

Certificate Training Programme on Rural Agricultural Work Experience (RAWE)

Overview:

The Rural Agricultural Work Experience (RAWE) programme is a flagship activity for the final year B.Sc. (Ag.) students during the last semester. Building self-confidence in the agricultural graduates by honing their professional skills is the key objective of introducing RAWE at the under graduate level by ICAR. During the village stay, the students stay along the rural households for a fortnight, which provides a rare opportunity to rediscover the farmers. Besides acquiring first hand field experience, the RAWE modules bring about positive changes in the students' mindset, outlook, personality traits, managerial and entrepreneurial skills.
